

LIVE NEWS OF WEST SCRANTON

FUNERAL OF THE LATE THOMAS W. PHILLIPS.

The General Sorrow of the Community Shown in the Large Attendance—Most Prominent Men in the Community Were Present—Services Conducted at the Residence 218 South Main Avenue and Were in Charge of the Rev. Peter Roberts—Benjamin F. Fern Injured.

Words are inadequate to describe the sympathy, testimony of regard, respect and esteem which, though silent, were none the less evidently expressed by the immense concourse which gathered yesterday afternoon at the funeral services of the late Thomas W. Phillips, which were held at the residence, 218 South Main avenue. Even the elements seemed to desire to be kind and the rain, which had fallen nearly all morning, ceased and the sky cleared.

In the throng outside of the intimate friends and acquaintances were to be seen persons from all walks of life, many prominent in social, business and political affairs. The congregation of the Plymouth Congregational church, West Side concourse, No. 211, Improved Order Heptasophs, were largely represented, and nine officials of all grades from up and down the valley were present in a body.

The services, which were simple, in accordance with an oft expressed wish of him to whom this final tribute of respect was being paid, were in charge of Rev. Peter Roberts, of Olyphant, a former pastor of the Plymouth Congregational church. Rev. David Zonen, pastor of the First Welsh Congregational church, South Main avenue, assisted. A quartette, comprising the Misses Elizabeth Thomas and Margaret Jones and P. H. Warren and David Stephens, sang the beautiful selections.

"Abide With Me" was sung, after which Rev. David Zonen read a passage of Scripture. Prayer was offered by Rev. Peter Roberts, and "When Peace Like a River" was rendered by the quartette. Rev. David Zonen then paid an eloquent tribute to the memory of the deceased.

He spoke as follows: "Neighbors and Christian friends, our comrade in Christ has passed beyond the vale, but we who knew him leave still with us the appreciation of a noble life just closed. We knew him, but to love respect and honor him. As was said of Demetrius of old 'He had a good report of all men, and of the truth itself.' He was friend, acquaintance and counselor. In life he was a pillar in the Plymouth church. I believe he has been made a pillar in the temple of our God."

Rev. Peter Roberts then spoke. His testimony of respect from a friend and minister found expression in the thought: "He gives His beloved sleep." From intense suffering to eternal joy. "Blessed are they who die in the Lord." For their works shall follow after them." Who shall say that this is not fittingly applied to him who has but gone before us. He has journeyed to where "mansions have

been prepared," and to his family and friends I offer the consolation of the word of Holy Writ, that those same mansions are prepared for us, and that we shall see him yet again. Let this thought be a sweet and soothing benediction unto us all." The apostle concluded his remarks with a short prayer, and the quartette sang "Meet Me There."

The services concluded, the friends were allowed to pass through and view the remains as they lay in calm repose in a beautiful broad-cloth casket, upon and around which were placed numerous beautiful floral emblems. As they gazed the silent features seemed to say "Meet Me There," and the sting of death was lessened.

The remains, followed by a large funeral cortege, were borne to the Washburn street cemetery, where interment was made. The flower-bearers were: W. E. Johns, A. B. Eynon, William Davis and W. G. Thomas, of Pittston. The pall-bearers were: W. H. Storrs, Benjamin Hughes, Thomas L. Williams, of the Delaware, Lackawanna and Western company; Elias E. Evans, of the Heptasophs; and Evan J. Davies.

SUSTAINED A BAD FRACTURE.

Benjamin F. Fern, son of John Fern, of North Sumner avenue, was badly injured at the Archbald mines Monday afternoon. The injured man was superintending the cutting of braces for mine cars at the Archbald mines. The cutting was being done with a large circular saw.

A small piece of the hard wood in some manner was torn loose and hurled toward Mr. Fern. He threw up his hands to protect his face and was

struck. The right hand was broken. The bones extending from the base of the first three fingers to the wrist were badly fractured. The other hand was cut by the sharp edge of the saw. For the opportunity of guarding of the hands, a more serious injury might easily have resulted. Dr. Griffiths, of Taylor, is in charge.

GOOD WORK SHOULD CONTINUE. Another vicious canine was disposed of Monday afternoon by Patrolman Kiah Peters, of the West Scranton police detail, and residents in the neighborhood of Filmore avenue and Lafayette streets are resting easier in mind.

The deceased dog was the property of William Edwards, of Lafayette street, and was a valuable dog, but lately has become rather dangerous, so much so that no person outside the family dared approach the house. Saturday Thomas O'Leary, the young son of Mr. and Mrs. J. H. Godfrey, of North Filmore avenue, was playing near by in the street with some other children when the dog ran along and bit young Godfrey. His wounds are not at all serious. Complaint was made and Mr. Edwards consented to have the animal shot. This was quickly done.

FELL HEAD LONG DOWNSTAIRS. Mrs. Edward Reynolds, of 2019 Lafayette street, is confined to her home as a result of serious injuries received late Saturday night. The injured woman is suffering from a severe laceration a long gash in the right leg just above the knee and many contused wounds and the shock. Dr. J. J. Carroll is in attendance.

Mrs. Reynolds had retired, but something roused her and she thought she heard some one moving around downstairs. She got up and just as she reached the stair head stumbled and fell head long down the whole flight. She was rendered unconscious, but other members of the family were aroused and hastened to her assistance. The gash in her leg was inflicted by the jagged edge of a little iron toy horse. It took twenty-four stitches to close the wound.

FUNERAL OF JAMES F. MACK. The funeral of the late James F. Mack, who died Saturday evening as a result of injuries received on the railroad, was held from the residence of John Gilroy, on North Main avenue, yesterday morning and a large concourse of friends were in attendance. The floral offerings were very beautiful.

The remains were borne to St. Patrick's church at 9 o'clock and a high mass of requiem was celebrated by Rev. D. A. Dunne. At the conclusion of the services, the remains were borne to the cathedral cemetery where interment was made. The pall-bearers were: James Doud, Henry Logan, Thomas Ruane, John Quinlan and John McHale. The flower-bearers: Andrew Connors and Van Daley.

MINOR NEWS NOTES.

All members of the Electric City Economy club are requested to attend the regular meeting which will be held this evening at Masonic hall, North Main avenue.

The members of the Baptist Young People's union of the Plymouth Baptist church will conduct a "cafeteria" social this evening at the residence of Miss Sarah Meredith, of Jackson street. The affair is for the benefit of the society.

The congregation of the Allis Memorial mission of Keyser avenue will conduct a lawn social at Weber's grove next Friday evening. Refreshments will be served. The public are cordially invited. Luzerne street cars run to within a short distance of the grove.

SOUTH SCRANTON.

The meeting in Germania hall last night to form a company of the National Guard on this side, was attended by a good sized number, considering the short notice given for the assembling of the gathering. John J. Gordon was chairman. He stated the object of the meeting and the names of several young men were received for membership. Those who volunteered to enlist were asked to use every effort to secure more eligible members.

It was decided last night that if a company cannot be organized by Thursday night of South Side street, that those already gotten for Company B in the central city be added to the list, as it is stated that Major Cameron will leave the city late Friday night, when Company A will be mustered in. It is not probable that another meeting will be held on this side to receive propositions for membership before Friday. Any and all who contemplate joining the new company are instructed to be at the armory Friday night or send their names to Mr. Gordon, 721 Stone avenue, or the Tribune office.

Frank Agli, the special policeman who was released from the county jail Monday on bail furnished by Charles Kuestner went before Alderman Lentz yesterday and gave information for the arrests of Roza Burka on the charge of assault and battery, Bernard Possierino and Anthony Costancia on the charges of assault and battery, and adding a prisoner to escape. The men were arraigned for a hearing last night. Burka was held in \$500 bail. The other defendants were discharged, there not being sufficient evidence in the mind of the magistrate to hold them for a trial.

Frank Smith came down from Great Bend Monday with \$2 in his pocket, and he returned yesterday, after a hearing in police court, without a cent of that amount. To Alderman Lentz he stated that he came to the city with the intention of purchasing a pair of shoes and a suit of clothes. He got the shoes, but while enroute from the shoe store to a clothing house he met several strangers in a saloon. He got much intoxicated and the last he can remember of his new friends was that they took him to the "orchard" on this side. He was found asleep there by Lieutenant Zang, and Patrolman Boland who locked him in the station house. The alderman discharged him believing that Smith had suffered a severe epilepsy. Peter Kelley, William Mahon and Anthony Gillespie were arraigned yes-

TO MRS. PINKHAM

From Mrs. Walter E. Budd, of Patchoque, New York.

Mrs. Budd, in the following letter, tells a familiar story of weakness and suffering, and thanks Mrs. Pinkham for complete relief:

"DEAR MRS. PINKHAM—I think it is my duty to write you and tell you what Lydia E. Pinkham's Vegetable Compound has done for me. I feel like another woman. I had such dreadful headaches through my temples and on top of my head, that I nearly went crazy. I was also troubled with chills, was very weak; my left side from my shoulders to my waist pained me terribly. I could not sleep for the pain. Plasters would help for a while, but as soon as taken off, the pain would be just as bad as ever. Doctors prescribed medicine, but it gave me no relief.

Now I feel so well and strong, have no more headaches, and no pain in side, and it is all owing to your Compound. I cannot praise it enough. It is a wonderful medicine. I recommend it to every woman I know."

terday morning, charged with being drunk and disorderly the night previous. Maher and Kelley were sent to the county jail for thirty days, and Gillespie was discharged.

Herman H. Smith, a young man whose home is on Elm street, and Joseph L. Smith, formerly of this city, were arrested at Hoboken Sunday, as suspicious characters. The fellows told the police authorities at that place who they were and where their homes are. Chief of Police Gurrell was telegraphed that the men were under arrest. Patrolman Boland was detailed to look up their careers. He ascertained that both left here some weeks ago to secure employment, and they bear good reputations. These facts were immediately sent to Hoboken. It is presumed the men were released.

The school board met in the central building last night, all members being present. The following bids were received for the two additional rooms to be added to No. 5 building: Dunmore Lumber company, \$2,875 with the excavating, or \$2,538 without the excavating; E. W. Osterhout, \$2,700 complete, or \$2,460 without the excavating. The contract was given to E. W. Osterhout, for building Nos. 1 and 5 building were laid over until the next meeting. A communication was received from the Dunmore Gas and Water company, which informed Mr. Golden, who lives in the vicinity of No. 6 building, not to allow the water on his premises to be used for school purposes. The matter was referred to the committee on No. 6 with power to act.

Miss Nora O'Hara applied and was granted a temporary certificate. A petition from the property owners of the Sixth ward requesting the board to reconsider the dismissal of Miss Rundell and to reinstate her was received. The matter was laid over until the next meeting. The bond question was brought up and after considerable discussion a committee was appointed to issue bonds to the denomination of \$500 to the amount of \$5,000 at 4 per cent interest, payable semi-annually, the bonds to be redeemed in twelve years from January, 1899. The board then adjourned.

Joseph Marsh, an Italian, employed at Spencer's mine, was badly battered about the face and had a shoulder broken by a fall of roof yesterday. He was taken to the Lackawanna hospital.

Mrs. Cobb, of Monsey avenue, is spending a few days at Elmstadt.

Mr. and Mrs. J. I. Randolph, of Penn avenue, are entertaining Mr. and Mrs. William Oaterson, of New Jersey.

Miss Lucy Swingle, of South Canaan, Pa., spent yesterday with Mrs. E. B. Campbell.

The Sunday school class of the Greenwood Presbyterian church conducted an ice cream social on the lawn of Mr. William Reynolds last evening.

A south bound street car collided with a trip of loaded mine cars at Greenwood crossing yesterday morning. The latter was being hauled to the breaker by a locomotive when it came descending the hill crashed into it. Owing to the steep grade and a wet rail the motorman lost control of the street car. No little excitement was caused as the occupants jumped for safety. No blame is attached to either side as the accident could not be averted. No one was injured.

A glee club has been organized in Greenwood among some of the vocalists of that locality. T. D. Maschal has been selected as conductor.

DAY'S DOINGS OF NORTH SCRANTON

FLAG RAISING EXERCISES AT THE STORRS' MINE.

Several Patriotic Speeches Were Made, and Recitations Were Delivered and There Was Music Both Vocal and Instrumental—Flag Was Raised Amid the Booming of Cannon and the Cheers of the Large Crowd—Patrick Padden and David Hughes Given a Hearing Before Alderman Roberts.

The most stirring event that has occurred in Dickson City since its inception was the flag-raising at Storrs' mine last evening. Amid the roar of cannon and the playing of the band, Old Glory was hoisted to its lofty position, accompanied by the lusty cheers of about 3,000 people, who were strongly imbued with the spirit of patriotism.

A large platform at the base of the immense flag-pole had been constructed for the auspicious occasion. The exercises were opened with a selection by the Citizens' band of this place, which was followed by an invocation by the Rev. W. H. Holder, pastor of the Primitive Methodist church, of Priceburg. A few remarks were then made by the temporary chairman, John P. Allgood, and which were full of patriotism. Then followed a selection by the Schubert Glee club, under the leadership of Gwylm Morlais. The song was a patriotic one and was given with inspiring energy. The singers were heartily applauded by the enthusiastic concourse.

The permanent chairman of the occasion, W. H. Morgan, was then called upon to give an address. He spoke in a fervent manner that at once claimed the attention of the audience. Then followed the most important feature of the many good features of the evening, the raising of the flag. This was done most gracefully by Outside Foreman Jacob Bowman's daughter, Miss Blanche Bowman, and Miss Maggie Jones. It was a magnificent sight, the booming of cannons and the cheers of the crowd, which prevailed long after the flag had reached the extreme end of the pole. When the noise had subsided the band rendered "The Star Spangled Banner" in a most excellent manner. A selection by the Glee club followed.

Next came the principal address of the occasion by W. Gaylor Thomas, of the West Side. He followed the patriotic line and was truly eloquent. His remarks were frequently punctuated with applause. He referred to the proud distinction of the flag and said it welcomes everybody who has a desire to become an honorable and worthy citizen.

The band afterwards favored the audience with a selection, Miss Mildred Gaudson recited in a most charming manner "Our Flag." An oration was delivered by Alderman John T. Howe, of the central city. He spoke in a jovial manner, and the audience in convulsive fits of laughter continually. The Schubert Glee club next gave a selection. A set of resolutions were then read, in which the employes most earnestly thanked the band, Schubert Glee club and the speakers for the prominent part they took in the affair.

The event was brought to a conclusion by the band playing "America," the audience joining in. The committee which had charge of the event were the following: F. B. Reese, G. E. Reynolds, Charles Bowman and Inside Foreman Richard Evans. They are deserving of much praise for the excellent manner with which every detail was carried out.

The flag was donated by the employes and is a handsome one. Its dimensions are 29x39, and the pole on which it suspends stands ninety-five feet in height and was given by Outside Foreman Jacob Bowman and the officials of the mine.

GIVEN A HEARING.

Patrick Padden and David Hughes were arrested at the instance of Charles Davies, of Taylor, who charged the defendants with having stolen a horse and buggy belonging to him. Alderman Roberts heard the case and held each of the men in \$500 bail. An additional fine of \$7 was imposed upon Padden, who desperately resisted the efforts of Special Officer Jacob Holt. A club and the nippers were finally brought into use and he was conveyed to the station house without much further trouble.

At the conclusion of the charge of larceny against Padden he was arraigned before the alderman at the instance of Mrs. Mary Ann Gligannon, who alleged he broke into her residence about three weeks ago, but not until yesterday was his arrest accomplished. It seems probable that he is destined to languish in the county jail for some time to come.

TOLD IN A FEW LINES.

Bridget Noughton was charged by her neighbor, Mary Mitchell, with being a common scold. Alderman Roberts held her in \$300 bail.

The strike situation at the West Ridge colliery experienced no change yesterday and work was resumed with crippled forces.

Fred Martin, of Deacon street, 9 years old, was bitten by a dog owned by Clinton De Witt. The grandparents of the boy notified Patrolman May, who shot the animal.

Born—To Mr. and Mrs. William J. Tennis, of Race street, a son, William McDonough was picked up by the police for being drunk and insulting pedestrians. Alderman Pitzer gave McDonough a hearing and imposed a fine on him.

The funeral of Maud, young daughter of Mr. and Mrs. E. J. Lewis, will take place from the family residence, on Putnam street, this afternoon at 2 o'clock. Interment will be made in Washburn street cemetery.

OBITUARY.

George C. Fisher, of 1742 North Washington avenue, died at his home Sunday night. He was a member of Company B, Thirtieth regiment, which went to Mt. Gretna. He was rejected owing to physical disability. The deceased was also a member of local union, No. 593, Carpenters and Joiners of America. The funeral will take place today at 2 o'clock. The services will be conducted by the ex-members of the National guard.

Mrs. Rose Gilmore, wife of Patrick Gilmore, died at her home in Schuylville Monday. She was 85 years of age, and was born in County Mayo, Ireland. Her husband and four children survive her. This morning at 10 o'clock the funeral will take place. A mass of requiem will be said at Holy Rosary church. Interment at Cathedral cemetery.
